You Make Me

Every drop of rain reminds me of the love You give from above
Every beam of sunlight takes me in to Your embrace,
a place where I feel warm and safe

Chorus 1
All Your giving makes my hands
achie' achie' achie' achieving :/

Every step I make reminds me of the Counsellor in my heart
Every breath I'm taking shows me I have no control
for You will have the final call

Chorus 2
All Your loving Makes my feet
a'go a'go a'go a'going :/

Every day I live reminds me of the blood You gave on the cross
Every friend You're giving adds to the angels helping me
until the end I'm seeing Thee

Chorus 3
All Your caring Makes my mouth
a'share' a'share' a'share' a'sharing :/

Chorus 4
All Your giving makes my hands
achie' achie' achie' achieving

All Your loving Makes my feet
a'go a'go a'go a'going

All Your caring Makes my mouth
a'share' a'share' a'share' a'sharing

All Your loving Makes my feet
a'go a'go a'go a'going
