

Praises heard around the world

Lord, your love has saved us
Precious blood has bathed us
Now your message takes us
All around the world

Chorus Can't you hear them
Hear them singing
The people they're rejoicing
With one voice they are shouting
Singing halle, hallelujah
Praises heard around the world

All of your creation
Each and every nation
Sending your salvation
All around the world

Chorus Can't you hear them
Hear them singing
The people they're rejoicing
With one voice they are shouting
Singing halle, hallelujah
Praises heard around the world

'Gainst the demons fighting
Holy Spirit guiding
Family we're uniting
All around the world

Chorus Can't you hear them
Hear them singing
The people they're rejoicing
With one voice they are shouting
Singing halle, hallelujah
Praises heard around the world
