

Rejoice in the Lord

O ey o ey o :/

Rejoice in the Lord
and again I say rejoice :/

Your kindness a bounce
to the ends of the earth.
Your grace and your mercy surrounds us oh Lord
Your name is exalted
for you are Lord of all (Come to the river)

Come to the river
and drink from the water of life. :/

There's healing, deliverance,
salvation and more
The river is poured out for one and for all
So, come to the river
and drink from the water of life. :/

You're a mighty God,
You're an awesome God,
You're a healing God,
You're a sovereign God,

O ey o ey o
Rejoice in the Lord :/
