

Lord, come and heal Your church

Lord come and heal Your Church
Take our lives and cleanse with Your fire
Let Your deliverance flow
As we lift Your name up higher

We will draw near
And surrender our fear
Lift our hands to proclaim
Holy Father You are here

Spirit of God come in
And release our hearts to praise You
Make us whole for
Holy we'll become And serve You

Show us Your power we pray
That we might share In your glory
We shall arise and go
To proclaim Your works most holy
