

Jesus the same

I never expected
that the things I did
– I wish were undone –
could be seen so clear by someone
before the friendship began

A dream for my future
I've never had before
came in to my mind
I said to him: «Please save my journey
and let this venture begin»

Chorus :

Yesterday is gone
Today is a new song
Tomorrow is forever, with Jesus,
Jesus the same :/

” Today” was his promise,
” You will be with me
and follow me home”
” There’s no priest, no man between us,
I have the key to the door”
The hope that I carry
that He gave to me,
is clear in my mind
” You will be with me in heaven,
forever you will be mine”
