

Men who dream

Captives came back into Zion
From their freedom came a scheme
While the city, it lay in ruins
We believe they had a dream...

When our souls were like the desert
And we stumbled on the stream
And found revival in the water
We became like men who dream

And yes our mouths
were filled with laughter
And our songs rushed like the stream
Where he washed our sorrows under
We became like men who dream

It shall be said among the nations,
«There's a God who shares our dream.»
The Spirit moves our generation
Shed your tears, fill the stream

Men who dream
We are shedding tears that
Flood the thirsty waters
Men who dream
We are planting seeds of
Men who dream

God has done great things among us
Every eye now shines a gleam
A spark of light reveals the wonder
We became like men who dream...

So let us go into the nations
Plunging souls into that stream
And singing songs that stir the angels
We became the men who dream.
