

On The Mountain Of The Lord

They were walking up the mountain
Isaac asked of Abraham
«Here I see the wood and fire
But for the offering, where's the Lamb?»

Abraham thought for a moment
The question must have pierced him deep
But then he gave his son the answer
Still is true for you and me

«God Himself is here to help us
There is an offering in store
All we need will be provided
On the Mountain of the Lord»

Chorus :

On the Mountain of the Lord
It will be provided
On the Mountain of the Lord
On the Mountain of the Lord
It will be provided
On the Mountain of the Lord

They were walking up the mountain
Two thousand years, the time had come
The wooden cross, the Lamb of God
The offering of an only Son

God Himself came down to help us
Hands were pierced, His blood was poured
All we need has been provided
On the Mountain of the Lord

Chorus :

On the Mountain of the Lord
It will be provided
On the Mountain of the Lord
On the Mountain of the Lord
It will be provided
On the Mountain of the Lord

You say, ask in Your name
And we will receive
Faith can move a mountain
If we will believe

Chorus :

On the Mountain of the Lord

It will be provided

On the Mountain of the Lord

On the Mountain of the Lord

It will be provided

On the Mountain of the Lord
